#### 2017/2018 Audit

Parshall is in a fluid situation. Keep in mind you are vulnerable as to Impact Aid. Core cost and core revenue indicate that we are in a very good financial position right now. Be mindful of the future as that can change your financial status. State money has been stable. There has been a noticeable increase in salaries and benefits. Are you where you want to be? Special Ed costs have skyrocketed across the state. Financialize your Mission statement.

A Motion was made by Jarski; seconded by Clauson to Approve the 2017/2018 audit.
