Monday, September 14th Back to Face to Face Learning

JH/JV/V Vball @Williston Trinity

Friday, September 18th V Football Vs Surrey 7:00pm

Saturday, September 19th JH Vball Tournament @Trenton

WOW! What an amazing week we have had. It's so great having students back in the building. They are learning new procedures and things we need to do like wearing masks and keeping our hands clean. It was great watching our teachers working with in-house and distance learners.

Trying to work with 2 groups of students at one time has brought some challenges but we are working on ways to help all our students have a successful year. We are all learning as we go so we want to thank all of our families for their kindness and patients as we navigate this new way of schooling our young people. If you have any questions or concerns please reach out to your classroom teachers or call the office and we will do our best to help.

Together we will make this a great year at Parshall Elementary School!

New Dismissal Procedure: We are dismissing students by grade starting with bus riders and then pickup/walking students. We start with the upper grades so they are able to help their younger siblings get to their destinations. We ask parents who are picking up children to wait on sidewalk at the front of the building and we will escort students out.
