We are excited to have students back in the building. This week has been great getting to see all the excited face of our students. We were disappointed in the water break that caused us to go distance learning for a day. We can't wait to see everyone back on Monday!

To insure we stay safe and healthy students are required to have masks on in the buildings and on buses. Staff will be at the front door giving out hand sanitizer each morning. Parents are asked to say outside for drop off and pick up of students.

We do go outside for recess so cold weather gear should be worn daily. Coats, hats, gloves, and boots keep students warm and dry during outdoor play.

Meals are available on the east side of the elementary from **11:00-11:30am** and **1:00-1:30pm** for all Parshall School District Students who choose to continue distance learning.
Meals will only be given to those who have their lunch card.
